COVERAGE REQUEST

Counselling sessions: coverage question

Hello,

I am a plan member and would like to confirm coverage for counselling sessions with:

> **Cyrus Jagosh, Cyrus Counselling**
>
> Registered Therapeutic Counsellor (Candidate), RTCc
> Association of Cooperative Counselling Therapists of Canada (ACCT), Registration #4149
>
> Master Practitioner in Clinical Counselling (Provisional), MPCC-P
> Canadian Professional Counsellors Association (CPCA), Registration #6052

Could you please confirm:

1. Are sessions with either designation eligible under my plan?
2. What is my annual limit, and how much is covered per session?
3. Are couples sessions covered, and if so, under whose plan?
4. If this provider is not currently eligible, how can they be added?

Thank you,

Name: _____

Plan / member number: _____

Receipts are provided for every session. Coverage varies by provider and plan. A letter of good standing from either association is available on request.
